

Degele Manufacturing Inc.

Metal Stampings • Assemblies • Specialty Machines

U.S. Veteran Owned • ISO 9001:2008 registered • Cage Code: 5RK43

We are a manufacturing company with prototype, tooling, welding, and manufacturing capabilities. We build tools, dies, jigs, gages, and special machines. We provide quality metal stampings and assemblies. Prototype to high production runs. We work with steel, aluminum, copper and stainless steel in sheets, coil and rods.

Our mission is to provide quality products on time to our customers.

DEEP DRAW

Thank-you for your consideration.
