

# Degele Manufacturing Inc.

**Metal Stampings • Assemblies • Specialty Machines**

**U.S. Veteran Owned • ISO 9001:2008 registered • Cage Code: 5RK43**

We are a manufacturing company with prototype, tooling, welding, and manufacturing capabilities. We build tools, dies, jigs, gages, and special machines. We provide quality metal stampings and assemblies. Prototype to high production runs. We work with steel, aluminum, copper and stainless steel in sheets, coil and rods.

**Our mission is to provide quality products on time to our customers.**

## **WELDING**

**Automatic MIG  
welders  
Mig/Tig Welding**

**Welding Fixtures  
rotate 360 degrees**

Thank-you for your consideration.
